**Next NM RECA Meeting: Tuesday, November 1, 2022**

Highlights from meeting with Jacque Costales, Angelo Gonzales, Marian Rael, and Scott Wright.

Maria, Bryan, Kelley, and I had a good discussion with this group yesterday afternoon. Maria and Bryan did a great job of explaining our concerns about IDCR and believe it or not, Marian admitted that applying the federal rate to all IGA's is one of convenience for PED. It's something they've done for years but did say rates could be negotiated. We suggested maybe two rates could be established our federal rate, and a standard rate of 8% or more (Jacque asked why not 10?). PED also takes back a .5 credit on or federal rate. Anyway, long story short Jacque agreed to take it to senior leadership for discussion. I recorded the conversation. If you would like the recorded copy via text, please let me know.
