Conflict of Interest Policy For Director, Council Members, and other Four Corners REC#1 Employees

Article I—Purpose

- 1. The purpose of this Conflict of Interest policy is to protect Four Corners REC#1's interests when it is contemplating entering into a transaction or arrangement that might benefit the private interests of the director or Council member of Four Corners REC#1 or might result in a possible excess benefit transaction.
- 2. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to state agencies, nonprofit and charitable organizations.

Article II—Definitions

- 1. Interested person. Any director or member of a committee with governing council delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
- 2. Financial interest. A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
 - a. An ownership or investment interest in any entity with which Four Corners REC#1 has a transaction or arrangement,
 - b. A compensation arrangement with Four Corners REC#1 or with any entity or individual with which Four Corners REC#1 has a transaction or arrangement, or
 - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which Four Corners REC#1 is negotiating a transaction or arrangement.
- 3. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Council decides that a conflict of interest exists, in accordance with this policy.

Article III—Procedures

- 1. Duty to Disclose. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Council.
- 2. Recusal of Self. Any Council member may recuse himself or herself at any time from

involvement in any decision or discussion in which the Council member believes he or she has or may have a conflict of interest, without going through the process for determining whether a conflict of interest exists.

- 3. Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the Council meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Council members shall decide if a conflict of interest exists.
- 4. Procedures for Addressing the Conflict of Interest
 - a. An interested person may make a presentation at the Council meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest. The Chairperson of the Council shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
 - b. After exercising due diligence, the Council shall determine whether Four Corners REC#1 can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
 - c. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Council shall determine by a majority vote of the disinterested Council member whether the transaction or arrangement is in Four Corners REC#1's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.
- 5. Violations of the Conflicts of Interest Policy
 - a. If the Council has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
 - b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Council determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV—Records of Proceedings

The minutes of the Council with delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Council's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V—Compensation

- 1. A voting member of the Council who receives compensation, directly or indirectly, from Four Corners REC#1 for services is precluded from voting on matters pertaining to that member's compensation.
- 2. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from Four Corners REC#1 for services is precluded from voting on matters pertaining to that member's compensation.
- 3. No voting member of the Council or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from Four Corners REC#1, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

Article VI—Annual Statements

- 1. The Executive Director and each member of the Council with delegated powers shall annually sign a statement which affirms such person:
 - a. Has received a copy of the Conflict of Interest policy,
 - b. Has read and understands the policy,
 - c. Has agreed to comply with the policy, and
 - d. Understands Four Corners REC#1 is a state agency and in order to maintain its federal tax exemption must engage primarily in activities which accomplish one or more of its tax-exempt purposes.
- 2. Each voting member of the Council shall annually sign a statement which declares whether such person is an independent director.
- 3. If at any time during the year, the information in the annual statement changes materially, the director shall disclose such changes and revise the annual disclosure form.
- 4. The Council shall regularly and consistently monitor and enforce compliance with this policy by reviewing annual statements and taking such other actions as are necessary for effective oversight.

Article VII—Periodic Reviews

To ensure Four Corners REC#1 operates in a manner consistent with state agency purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information (if reasonably available), and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations, if any, conform to Four Corners REC#1's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in impermissible private benefit or in an excess benefit transaction.

Article VIII—Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, Four Corners REC#1 may,

but need not, use outside advisors. If outside experts are used, their use shall not relieve the Council of its responsibility for ensuring periodic reviews are conducted.

CERTIFICATION

I certify that I have received a copy of the Four Corners REC#1 Conflict of Interest Policy and understand and agree to comply with the terms and conditions of said policy. Furthermore, I understand that the Four Corners REC#1 is a state agency and in order to maintain its federal tax exemption must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Four Corners Regional Education Cooperative #1

Aztec Municipal Schools – Bloomfield Public Schools—Central Consolidated Schools—Farmington Municipal Schools—Gallup-McKinley County Schools—Zuni Public Schools—San Juan College

KELLOGG FOUNDATION: SEDL

Now that REC-1 has received the funds for this project, it's time to start putting the plan in place. I have provided information about this project several times, but we need to start looking at the implementation specifics.

(In the information below, the term "dual language" is being used broadly to describe various models for helping students strengthen or learn their historical / traditional languages.)

Initiating Action Step: Please let me know by 8/31/2023 whether your district will participate.

The project has 3 major components, as follows.

1-A. INSTRUCTIONAL RETREATS

Fund 45 elementary teachers and 10 school or district administrators to meet for a Saturday retreat to deepen understanding of the district's/school's dual language model and to enhance implementation. These are intended to be work sessions for administrators and key dual language teachers, which you and your administrators can design according to your needs and purposes. The administrators will plan and facilitate the retreats.

Basically, grant funds will pay folks for the time, but you will determine what they will do during that time, as long as it relates to your dual language programming. The project was designed in this manner to maximize flexibility and support your local efforts.

Teachers and administrators will meet in "clusters" that may comprise teachers from multiple schools. The number of clusters is based on approximate numbers of schools, geographic distribution, and funding capacity. For the districts with more than 1 cluster, you may group (or select) schools however seems appropriate. Not all elementary teachers will be able to participate; the intention is for selected dual language teacher-leaders to attend.

District	Teachers	Clusters / Retreats
Aztec	3	1
Bloomfield	3	1
Central	8	2
Farmington	10	2
Gallup	18	3
Zuni	2	1
TOTALS	45	10

The numbers above represent the baseline implementation. If your district opts not to participate, we can re-allocate your participant counts to other districts.

Funding

Teacher compensation: \$150

Administrator compensation: \$500 Retreat Supplies per cluster: \$345

Process: We will execute individual contracts for teachers and administrators for their participation. We will reimburse districts for supply costs up to the ceiling level (\$445 total per cluster) upon receipt of an invoice with supporting documentation.

Schedule for Retreats

Retreats may be conducted any time during this fall semester. You will determine the location and date.

Upcoming Action Steps

- a. 8/31/2023: Once I have district interest, I'll generate MOUs for district participation. This will also give me time to re-allocate teacher counts and inform you of available slots.
- b. 9/30/2023: I'll need names and contact information for participating administrators and teachers.
- c. 9/30/2023: Recommended: identify date and place for the retreats.

Note: We will need a board meeting to approve MOUs and participant contracts.

1.B. RETREAT FOLLOW-UP SESSIONS

For participants in the retreats, we have funding for 3 1-hour after school / after duty hours follow-up sessions. These are intended for review, refinement, and next steps as you determine to be appropriate. As before, they may be conducted by cluster.

Funding

Teacher compensation: \$45 x 3 events

Meeting supplies per cluster: \$100

Schedule for Follow-up Sessions

Follow-up sessions may be conducted any time after the 1-day retreats. However, they should all be completed no later than April 30 so we have time for fiscal close out.

2. ATTENDANCE AT LA COSECHA

Funding is available to support up to 6 attendees at the La Cosecha conference. The intention is for 1 representative from each district to expand educators' understanding of various dual language approaches, interact with practitioners broadly, and strengthen knowledge of instructional factors and emerging practices. The attendees would then present information within their clusters /

districts. This would be a good opportunity for one of your up-and-coming instructional leaders to start building a professional network and reputation among practitioners and leaders in the field.

Conference Information: https://www.lacosechaconference.org/

Conference Dates: November 8–11

Attendees

You may select a dual language teacher or school or district administrator to attend. If one or more districts opt to not participate, we can open the opportunity for participating districts have additional attendees.

Funding

All expenses paid, including registration fees, travel, per diem, and hotel.

Upcoming Action Steps

a. 9/15/2023: We will need the names and contact information for the conference attendee(s)

3. WORKING DINNER FOR ADMINISTRATORS

Funding will support 2 school or district administrators per district for a working dinner to share challenges, strategies, and similar topics.

More information will be forthcoming on the details for this event. However, we're looking at November for the dinner. We'll most likely host the dinner in Farmington, but that may be subject to district participation. Los Rios in Farmington is a top pick, but I'm open to suggestions.

OTHER: COMMUNITY EVENTS

At the request of Kellogg, as a required activity, we will conduct 3 community "listening sessions." We will host and facilitate these ourselves, but we will ask for your assistance in promotion. Events will occur in the Farmington, Shiprock, and Gallup areas.

The output will include a summary report of comments and discussion, which I will deliver to you for use as you believe appropriate.
